Final determination of part-time teaching assignments is contingent upon student enrollment figures and funding.

General Information:

California State University, Northridge, long known for the intellectual, social and cultural relevance of its 200 academic programs and engaged centers, embraces both innovation – in community service and hands-on experience – and rigor. A minority serving university in a globally diverse region, it is a national leader in preparing teachers for K-12 and first generation college students for graduate studies. 1,700 of its 34,000 students are international. Located in the San Fernando Valley, with 1.8 million people, Cal State Northridge is a park-like campus, 20 miles northwest of downtown Los Angeles. Cal State Northridge is a welcoming university; we value accessibility, academic excellence and student achievement. For more information about the University, check our website: <http://www.csun.edu/>.

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, California State University, Northridge has made crime-reporting statistics available on-line at <http://www-admn.csun.edu/publicsafety/police/crimereport.htm>. Print copies are available in the library and by request from the Office of Public Safety and the Office of Faculty Affairs.

Applicants who wish to request accommodations for a disability may contact the Office of Equity and Diversity, (818) 677-2077.

The university is an Equal Opportunity/Affirmative Action employer and does not discriminate on the basis of race, religion, national origin, sexual orientation, gender, marital status, age, disability, disabled veteran or Vietnam-era veteran status.
